Lesson Guide

As you move through this unit, pages 1 through 17 in the textbook ([linked here](#)), record your notes below!

Introduction:

Teams play a crucial role in achieving common goals in various environments. Effective teamwork is essential for success. Answer the following questions to test your understanding.

1. Define a team and provide an example.
 - A group of people with needed skills who work together to achieve a specific goal, with Motorola's RAZR team being an example
2. List at least three key characteristics of effective teams.
 - Function interdependently, require stability, hold authority and decision making power
3. Explain why major organizations rely on teams to improve operations.
 - Teams are more productive than conventional operations and for their effect on overall workplace performance

Challenges in Team Dynamics:

Despite the benefits, challenges can arise in team dynamics. Let's explore these challenges and potential solutions.

4. Describe the concept of groupthink and provide an example.
 - Tendency for people to conform to group pressure in making decisions, failing to think critically or to consider outside influences, like the problem in the January 1986 Challenger space shuttle launch
5. Discuss the impact of motivation on team effectiveness.
 - It is a chief cause of ineffective teamwork with low motivation, and when it's low, effectiveness and productivity goes down.
6. Identify and elaborate on three obstacles to success when introducing teams into an organization.
